SUMMARY

Delivery driver with a valid California license and an insured personal vehicle, currently driving for Insomnia Cookies. Comfortable running a route unsupervised and covering back-of-house work between deliveries. Available for driving, warehouse, stocking, and janitorial placements, full-time or temporary.

EXPERIENCE

Delivery Driver | Insomnia Cookies **Sep 2025 – Present**

- Run delivery routes in an insured personal vehicle, completing orders inside the promised delivery window.
- Confirm order accuracy at pickup and take payment at the door by card and mobile methods.
- Receive and count incoming inventory, restock product and packaging, and report shortages early.
- Close the back of house: haul trash, wash equipment, and sanitize prep surfaces to food-safety standard.
- Move between driving and in-store work within a shift as the store needs.

Game Master, Self-Employed | Dungeons & Dragons on Roll20, Online **Jan 2020 – Sep 2025**

- Ran paid multi-hour tabletop sessions online for recurring groups of adult players.
- Prepared each session in advance — story, encounters, maps — and adapted live when the group went off plan.
- Scheduled sessions around player availability and handled booking and payment directly.
- Kept paying players coming back for years: mediated disputes and kept sessions on schedule.
- Designed original campaign material and taught new players the rules from scratch.

Delivery Driver | Pizza Hut, Paso Robles, CA **Dec 2018 – Jan 2020**

- Delivered orders across Paso Robles and logged delivery times to document completion.
- Coordinated routes and addresses with other drivers so overlapping deliveries went out together.
- Trained new drivers on delivery procedure and covered for management beyond the job description.
- Built repeat business with regular customers through consistent on-time service.

Sandwich Artist | Subway, Paso Robles, CA **Dec 2015 – Jul 2016**

- Made sandwiches to order and kept the prep line and dining area clean through service.
- Owned dish and janitorial duty, then reset and organized the store for the next shift.
- Position ended when the location closed under new management.
