SUMMARY

Delivery driver and store crew with hands-on inventory experience, moving into full-time warehouse work. Receives and counts incoming stock, restocks and rotates product, and flags shortages before they interrupt a shift. Ready to certify on forklift and pallet jack, and looking for a role with training and advancement.

EXPERIENCE

Delivery Driver & Crew Member | Insomnia Cookies **Sep 2025 – Present**

- Receive and count incoming inventory, restock product and packaging, and report shortages early.
- Verify order accuracy against tickets at pickup, then load and run delivery routes on schedule.
- Work the store between runs: product made to order, register, and till counts.
- Close the back of house: trash, equipment washing, and sanitation to food-safety standard.

Game Master, Self-Employed | Dungeons & Dragons on Roll20, Online **Jan 2020 – Sep 2025**

- Ran paid multi-hour tabletop sessions online for recurring groups of adult players.
- Scheduled sessions around player availability and handled booking and payment directly.
- Kept paying players coming back for years: mediated disputes and kept sessions on schedule.

Delivery Driver & Crew Member | Pizza Hut, Paso Robles, CA **Dec 2018 – Jan 2020**

- Coordinated routes and loads with other drivers so overlapping deliveries went out together.
- Covered the store between runs: food made to order, register, till counts, and janitorial.
- Took on management duties beyond the driver role, including directing drivers and training new hires.
- Delivered orders across Paso Robles and logged delivery times to document completion.

Sandwich Artist | Subway, Paso Robles, CA **Dec 2015 – Jul 2016**

- Kept the prep line stocked and the store organized and reset for the next shift.
- Owned dish and janitorial duty; position ended when the location closed under new management.
